

Positive news from Ukraine

The 15th Annual Scientific Conference of Ukrainian Union of Psychotherapy (UUP) took place on June, 27-29, 2009 in Ukraine, in Dnepropetrovsk .

The Conference was opened and headed by the President of UUP Alexander Filts. The special and already traditional guest of UUP Conference was executive director of EAP Mr. Alfred Prits.

It is also pleasant to mark that director of Ukrainian Institute of Positive psychotherapy and chapter of section of Positive psychotherapy of UUP Vladimir Karikash was invited by A.Filts to conduct the plenary meeting.

About 15 lectures and 30 workshops were presented on the Conference (among them 10 workshops were provided by the representatives of Positive Psychotherapy section).

Vladimir Karikash and master-trainer Iurii Kravchenko presented a plenary lecture «Positive psychotherapy: principles of forming of professional identity of psychotherapist».

By the special theme at Conference, both in formal and in informal parts, there was advancement of Law on psychotherapy in Ukraine, and also development of the General platform of psychotherapy in Europe, in development of which Ukraine accepts active voice from 2006.
