

Master course seminar 6 – 8 Nov. 2009

Ankara, Turkey

Trainer: Gabriela Hum
Organizer: Tugba Sari

General aspects

- Ankara group of PPT is on the Master Course level - 3rd year of training
- There were 18 participants: psychologists, counselors and pedagogs
- The seminar was focus on following issues:
 - Self-discovery
 - Using WIPPF – case studies
 - Psychodynamics
 - Integration of the 5 steps of PPT, Balance model, Model dimension and interpretation of the case

Group

- All participants show a high level of understanding of PPT
- Almost all of them already work on the field of counseling and apply the techniques of PPT
- They showed a lot of interest regarding the integration of the method and how to lead a case on the light of PPT

Atmosphere

- A positive and relaxing atmosphere accompanied us across the seminar, as you can see on the picture
