**REPORT FROM TRAINING SEMINAR IN KOSOVO
Prishtina, 11-13 April, 2008**

FIRST BASIC CONSULTANTS OF POSITIVE PSYCHOTHERAPY IN KOSOVA

After period of time, Kosova Centre for Positive Psychotherapy organized ongoing training seminar on Positive Psychotherapy. This was continuing training seminar on Basic Course which was already started in 2003 with participants who already finished first three seminars. In the same time in this training seminar was an included new participant, who wants to start with Basic Course.

Kosova Centre for Positive Psychotherapy has great honor and pleasure to invite the founder of Positive Psychotherapy Prof. Nossrat Peseschkian and Manije Peseschkian to present the new developments in Positive Psychotherapy.

Training seminar was held from 11 – 13 April 2008 starting from 9.AM. till 4.30 PM.

Lectures was placed in University Clinic Centre Department for Neuro-Psychiatry amphitheater for Neurology.

Number of participants who got the certificates was 40. Eleven (11) of them received the Certificates of finishing the Basic Course. These candidates were the first who received the new certificates with title Basic Consultant of Positive Psychotherapy.

The other participants were for first time that learned about basic concepts of Positive and Trans-culture Psychotherapy and Psychosomatics.

A lot number of participants were psychologists and psychiatrists who show very much interest and were very active during the group work. The impressions of participants after seminar were highly satisfied with training which show in their feedback wrote in the evaluation forms.

Beside of training seminar Prof. Peseschkian had different activities during the visiting the Kosovo. Together with Kosovo delegation they had meetings with Rector of Kosovo University in Prishtina, prof.dr. Enver Hasani and Minister of Education, Technology and Science, prof.dr. Enver Hoxhaj.

The results of meeting were good, ambitions and supportive. In both meeting they agree for future planes in organizing the different training for education and mental health institutions.

Trans-cultural aspect of visiting the Kosovo was visiting the historical places in Kosovo who suffered from war and being familiar with different cultural and traditional aspects in Kosovar families.

The future plans of Kosova Centre of Positive Psychotherapy are to continue work with participants who has been attended for first time and others who wants to finish the Basic course. For the next steps we are planning to invite trainers from Academy and to use trainers from Kosova Centre for PP.

It is very important to mention that the cost from this training seminar were very low, and for that we will like to thank very much support from Prof. Peseschkian who made strength and brought power to our Centre. We would like to appreciate his offer and powerful support always done.

Even the weather was not enough warm, the present and work of Prof. during the training seminar made so much warm and closed between participants. Also we would like to appreciate and thanks very much for Mrs. Peseschkian for her presentation about Positive family therapy.

We hope that this visit of Prof. Peseschkian is not last visit, but we like to see very soon again them in Kosovo. Kosovo people learned a lot form him.

The Kosovo people would like to wish all the best for his 75 birthdays and 40th anniversary of Positive Psychotherapy.
