

WORLD REGIONAL CONGRESS OF PSYCHOTHERAPY
Marrakech - Morocco, March 29-30-31, 2012
« Psychotherapy, Neurosciences & Culture »

Dear Colleague,

The WCP (World Council for Psychotherapy) ASCC is organizing the World Regional Congress of Psychotherapy on March 29-30-31, 2012 in Marrakech on "Psychotherapy, Neurosciences & Culture". The conference is organized in collaboration with the EAP (European Association for Psychotherapy) and the EFTA (European Family Therapy Association).

The Honorary President of the Congress and Scientific Committee Chair is Prof. Mony Elkaim, EFTA - TIC President. The Organizing Committee Chair is Prof. Driss Moussaoui, WASP (World Association for Social Psychiatry) President.

Invited speakers have already confirmed their participation: Prof. Alfred Pritz, President of WCP, Prof. Mony Elkaim, Prof. Boris Cyrulnik, Prof. Jean Cottraux, Prof. Ganesh Shankar, President of the Asian Federation of Psychotherapy and President of the Indian Yoga Psychotherapy Association.

Prof. Irvin Yalom, Palo Alto, is invited but didn't confirm his participation yet...

This congress is an opportunity for Psychotherapists from Europe, Africa and Middle East to meet and Share ideas about various and current topics of Psychotherapy.

The program includes 24 Workshops, 12 Symposia, 6 Lectures, 3 Workshops for trainees, 2 satellite Symposia, Posters and exhibitions.

Early Registration Fees deadline is extended to February 1st.

Deadline for abstracts submission is February 15.

Arrangements have been made with the hotel to reduce the accommodation fees.

Register, send an abstract and come to attend the congress.
